LETTERS & REPORTS: Specialized Technology Resources, Inc., letters and reports are issued for the exclusive use of the clients to whom they are addressed. No quotations from reports or use of the Specialized Technology Resources, Inc., name is permitted except as expressly authorized in writing. Letters and reports apply only to the specific materials, products or processes tested, examined or surveyed and are not necessarily indicative of the qualities of apparently identical or similar materials, products or processes. The liability of Specialized Technology Resources, Inc., with respect to services rendered, shall be limited to the amount of consideration paid for such service and not include any consequential damages. This report or certificate does not relieve seller/suppliers from their contractual responsibility with regard to the quality/quantity of this delivery, nor does it prejudice client's right to claim towards seller/suppliers for compensation for any apparent and/or hidden defects not detected during our random inspection or testing. STR has not performed a complete analysis of the product. The results contained in this report indicate that the product has passed or failed the specific tests only. These test results, even if rated as "Passed", do not indicate or certify that the product is safe for commercial or consumer use.
